

ISHIZAKI KENZAN STYLE

Life
with
flowers

Item used: *HANAKATSU Large Round*

As you sit back on your favorite sofa and take a quiet moment to unwind,
you casually lift your gaze to find beautiful flowers in front of you,
bringing a sudden brightness and elegance to the familiar scenery.

It may be just a small change,
yet it naturally brings a sense of calm
and gentleness to the heart.

By gently adding flowers to your everyday life,
those moments will surely bring more beauty and fulfillment to the way you live.

“Life with flowers”

Let flowers become a graceful part of your everyday life.

Feeling the morning light
as you brew a cup of coffee,
you take a little more time than usual,
gazing at the small flowers beside you.

HANAKATSU

At Ishizaki Kenzan, we believe that flower arranging should be something anyone can begin easily and enjoy freely in their own way.

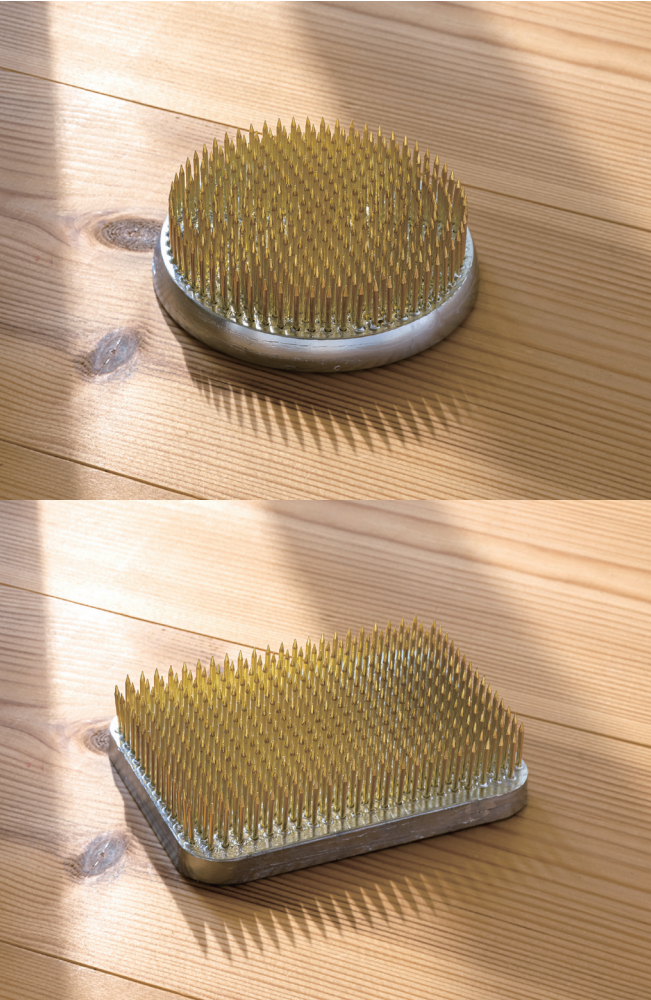

“HANAKATSU” is our classic brand that embodies this philosophy. While offering the quality made possible by the advanced skills of our craftsmen, we also pursue accessible pricing and a wide variety of options. Our goal is to help create a more fulfilling lifestyle, allowing more people to feel close to the flowers they love, anytime.

Leaving behind the noise of everyday life,
you face the beauty of flowers.
With a slow, deep breath,
you simply immerse yourself in the moment.
Such time becomes a moment of quiet bliss.

MIYABI

Flowers bring us more comfort than we imagine. Beyond their visual beauty, arranging flowers helps us focus, calm the mind, and find stillness—much like Zen, long rooted in the Japanese spirit.

As you grow closer to flowers, you may wish to explore their beauty more deeply and create more refined arrangements.

MIYABI is recommended for those seeking a more authentic approach to flower arrangement.

OTHER ITEMS

A variety of dedicated tools make flower arranging easier and more enjoyable. Designed to improve efficiency and help flowers last longer, these Ishizaki Kenzan essentials are reliable companions to keep close at hand.

Kenzan Pin Straightener

A tool for restoring bent or tilted kenzan pins to their original straight position. Insert it firmly onto each pin and gently raise it back to an upright angle.

Water Changing Pump

A manual rubber pump that allows you to change the water without removing the arranged flowers. By keeping the water fresh, it helps flowers last longer.

Spray Bottle

In addition to misting flowers and plants like a standard spray bottle, it can also be used to inject water directly into the stems.

Flower Wrap

A polyethylene cover that gently wraps flowers when carrying them. Available in three colors: Green, Pink, and Yellow.

Stepping outside with a plant in hand,
feeling the fresh breeze pass by,
a quiet moment of healing begins.

RIN

With its deep black form and stylish design, "RIN" carries a calm presence and quiet dignity, true to its name. With this special companion by your side, take a moment to stand a little taller and reset your mind in stillness. "RIN" features a special surface treatment that resists dirt, while its stainless-steel pins are hardened, rust-resistant, and evenly colored through electroplating, eliminating concerns about uneven color or fading.
